

PCX3000
MARINE BRONZE MOTORPUMP
3000 GPH
Part Number - 40014P
220V - 230V

PUMP

- All Bronze marine centrifugal pump Freshwater or Seawater applications.
- Precision machines to close tolerances for consistent performance.
- Stainless Steel shaft.
- Hardware - Type 303 Stainless steel.

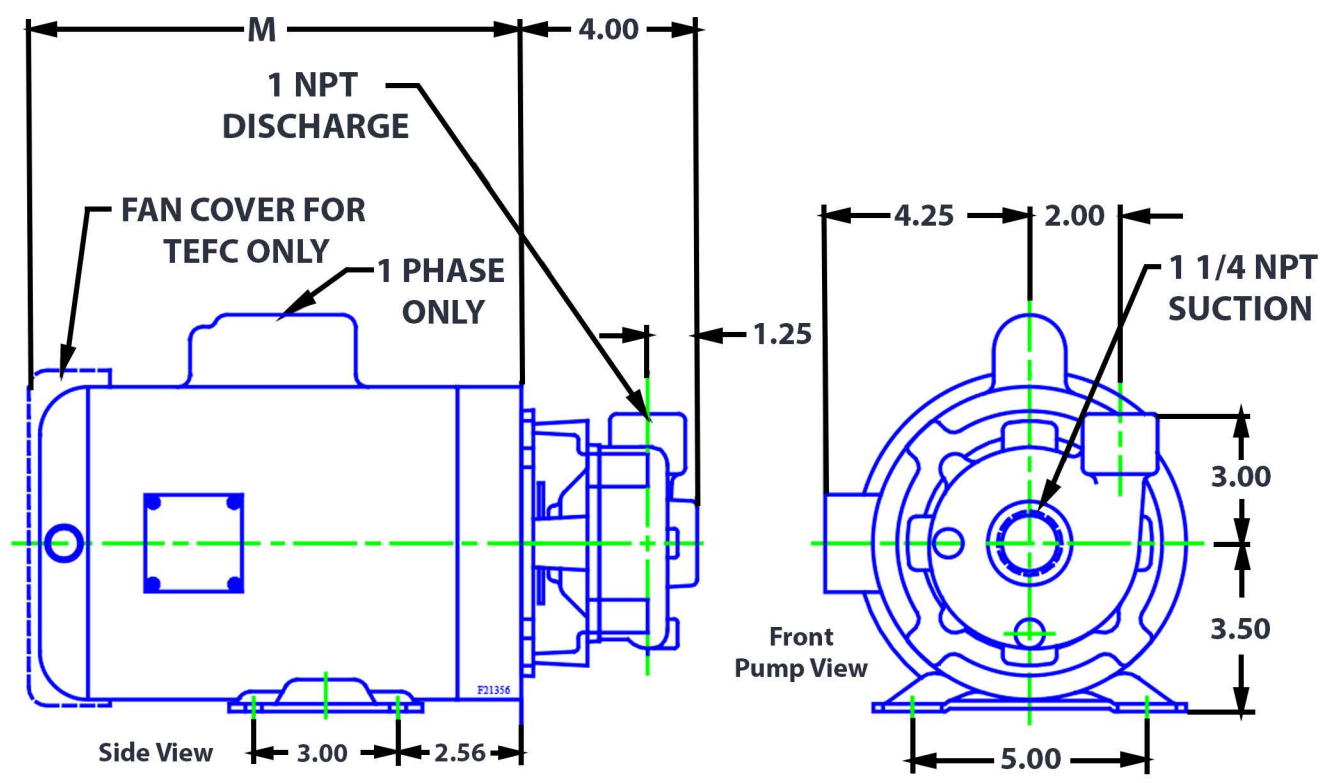

MOTOR

- Totally enclosed fan cooled IP-44 motors meet marine, European, and Coast Guard ignition protected requirements.
- Single Phase Capacitor start.
- Dual frequency 50Hz or 60Hz motors available.
- Three phase motors are not available.

IMP dia inches	Wt. lbs	HP		Amperes - TEFC	
		50Hz	60Hz	60Hz - 230V	50Hz - 220V
3.31	32	1/2	1/2	4.2	4.6

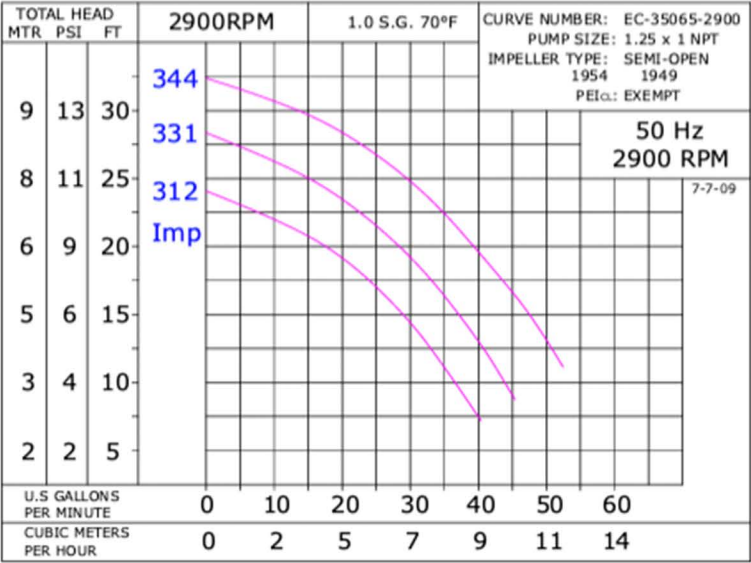

Amps for 115V - 60 Hz is double 230V amps

DIMENSIONS

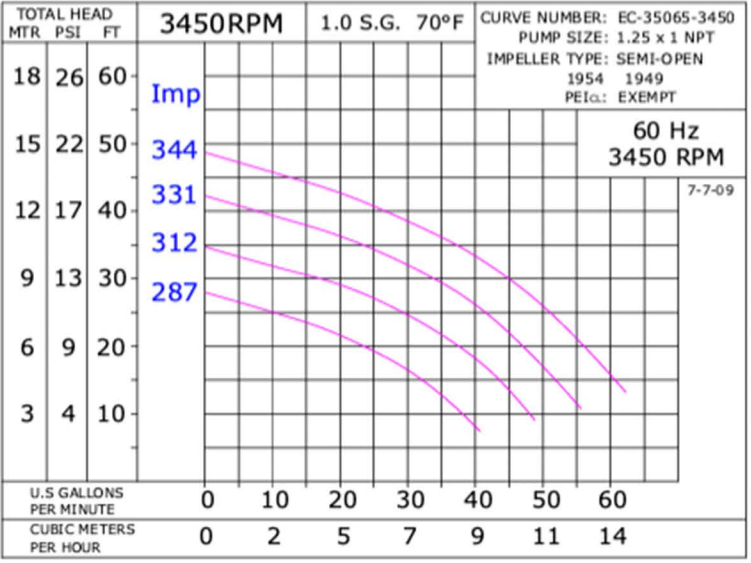

PUMP CURVE

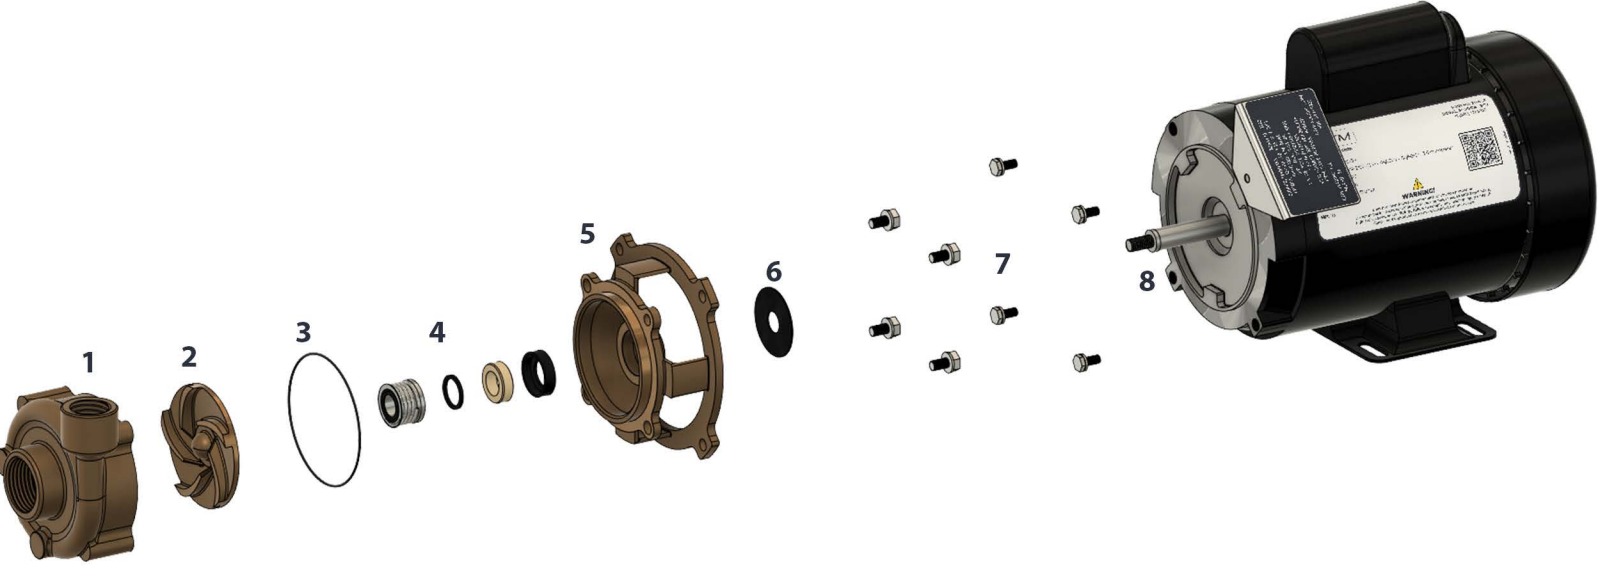

2900 RPM / 50Hz

3450 RPM / 60Hz
