

OVERHEAD LIGHTING

DLX Series

• 300 Lumens

► DESCRIPTION

The Shadow-Caster® Large Down Light (SCM-DLX) is perfect for lighting overhead areas of the interior and exterior of your boat or yacht. At 3" overall diameter, its wide angle spread of light and all-glass reveal makes this the ideal light for T-Tops, cabins, towers and more. The SCM-DLX series is available in 3 light output choices; single color white, 3 color (white, blue and red) as well as a full color version. Choose from three beautiful color finishes – white, black and polished chrome. Easily control the brightness and color from a standard switch.

FEATURES

- Soft start technology ramps the brightness up gently over 2 seconds.
- Power toggle feature to set brightness and change color
- True white LED for best color performance
- 120 degree viewing angle
- High efficiency switch mode power supply
- Waterproof low-profile aluminum housing
- White, black or polished chrome finish
- All-Glass reveal provides a modern look
